

Fellowship Bible Church Mission Team Application

Thank you so much for your interest in joining a short term mission team from Fellowship Bible Church. We believe that your life will be forever changed by allowing yourself to be involved in what God is doing all over the world.

It is important for you to understand that participation on one of our mission teams is a privilege. We want to send the people who regularly attend and best represent our church. You will be representing yourself, your Lord, and Fellowship Bible Church as you travel to work alongside missionaries that we support.

The application allows us to get to know you better and will help us determine which trip may be the best fit for you. As you will see by the questions on this application we are looking for men and women who have shown a pattern of faithfulness and biblical obedience. We are not looking for perfect people, but for those who can give a clear testimony of their relationship with Jesus Christ and evidence of their walk with Him. As Paul wrote to Timothy –

“I thank Christ Jesus our Lord, who has strengthened me, because He considered me *faithful*, putting me into *service*.”

Completing this application is the first step in the process of applying to participate on a short-term mission team. One of the staff will contact you after reviewing your application. Please understand that filling out the application does not guarantee your participation on the mission team. You may be asked to apply again next year or you may be redirected to another mission team opportunity.
